**Attachments:** City 17 Contract Request Stats.xlsx; City 17 Contract Request.docx

Good morning, everyone -

Attached please find a request for contract renewal as well as statistics for each of the last four years regarding the number of trips provided and percentage of City residents served. I have delayed in sending this request as I was not sure what to provide beyond the information you already receive each quarter so I finally decided that I may be over thinking the request. If I have swung too far the other way and there is additional information you wish to have, please do not hesitate to let me know.

I want to apologize for the lack of "official" letterhead. An oversight in ordering on my part!

Your consideration is appreciated. Please let me know if you have questions, need further information, or would like me to appear before Council.

Truly,

Re: Contract Renewal  
Canal Winchester Human Services

Everyone:

This is to request a contract renewal for the services provided to the City of Canal Winchester by our Organization. The current contract expires at the end of the year. We would appreciate consideration for a multi-year contract of at least three if not five years.

As you are aware, Canal Winchester Human Services provides programs and services for the benefit of the City of Canal Winchester. Since April, 2014, the City has provided the following funding in support of those programs and services as follows:

\$40,756	Senior Transportation Drivers	
\$ 2,500	Senior Transportation Communication	
\$ 3,500	Insurance, Gasoline and Equipment Maintenance	
	= \$46,756 – Senior Transportation Program	
\$14,500	Administration Support of other programming (Community Outreach and Community Food Pantry)	``
= \$62,756/year		

We would request the following:

~ Increase of 3% - The amount of Senior Transportation funding has remained the same since the City turned over full administration of the program to Human Services in 2014. Support of administration for other programming (currently \$14,500) has been unchanged since at least 2011.

~ Expand the description for support of the drivers to include senior transportation scheduling staff and/or all administration of the program. Prior to 2014, the City employed all the staffing necessary to administer the program including not only the drivers but also the schedulers and all the administration necessary to oversee vehicle maintenance, grant and contract reporting, etc. The current contract however, was for some unknown reason, limited to driver compensation.
