Clerk of Council

(2021, 2022 and 2023) and each period thereafter unless the city/village/township/township cancels the agreement with written notice on or before June 30 of the prior program year. Both the city/village/township/township and the County will adopt any amendment to the agreement incorporating changes necessary to meet the requirements for cooperation agreements set forth in an Urban County Qualification Notice applicable for a subsequent three-year urban county qualification period; will submit such amendment to HUD as provided in the urban county qualification notice; and recognizes that such failure to comply will void the automatic renewal for such qualification period.

4. The Agreement gives the Board the authority to carry out the activities funded from annual Community Development Block and HOME Grants from Federal Fiscal Years 2018, 2019 and 2020 appropriations, and from any program income generated from the expenditure of such funds. The Canal Winchester (city/village/township/township) must inform the Board of any program income generated through the expenditure of those funds. Said program income must be returned to the county. If any program income is authorized to be retained by the Canal Winchester (city/village/township/township), it may only be used for eligible activities in accordance with all CDBG requirements.

That the Board has the responsibility for monitoring and reporting to HUD on the use of any such program income thereby requires appropriate record keeping and reporting by the participating unit as may be needed for this purpose; and, that in the event of close-out or change in status of the participating unit, any program income that is on hand or received subsequent to the close-out or change in status shall also be returned to the county.

During the period of qualification no included unit of general local government may withdraw from the urban county recertification agreement unless the urban county does not receive a CDBG of HOME grant for any year during such period.

5. The Department of Economic Development and Planning (EDP) is authorized to act for the Board and is accepted by Canal Winchester (city/village/township) as an agent of the Board in planning, administering, and overall coordinating the programs, which are the subject of this agreement.
6. It is accepted by Canal Winchester (city/village/township) that the County's HUD entitlement program, the programs it chooses to fund and the priorities it chooses to address reflect the needs of the entire county.
7. The following standards shall apply to real property acquired or improved in whole or in part using CDBG funds that is within the control of a participating unit of local government:

The Canal Winchester (city/village/township) will notify the Board as soon as it knows of any modification or change in the use of the real property from that planned at the time of acquisition or improvement including disposition;

The Canal Winchester (city/village/township) will be required to reimburse the Board in the full amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-CDBG funds) of property

acquired or improved with CDBG funds that is sold or transferred for a use which does not qualify under the CDBG regulations; and,

Treatment of program income generated from the disposition or transfer of property prior to or subsequent to the close-out, change of status or termination of the cooperation agreement between the Board and the participating unit, will be subject to the provisions of Section 3 of this same Agreement.

The policies/procedures of the Franklin County HUD Entitlement Program will apply to any projects involving acquisition, whereby EDP will be notified during the planning and design process of any approved project, where applicable land acquisitions and other items are subject to the Uniform Relocation and Real Properties Acquisition Policies Act of 1970.

8. The Canal Winchester (city/village/township) pursuant to 24 CFR 570.501 (b) is subject to the same requirements applicable to subrecipients, including the requirements of a written agreement set forth in 24 CFR 570.503.

Section 570.503, Code of Federal Regulations, requires the Board and any participating unit of local government execute a written agreement prior to the disbursement of any federal funds. As such, Franklin County has prepared a Template Funding Agreement, which must be executed. This agreement includes certain administrative, legal and financial procedures, which define the responsibilities of the grantor and grantee. The Agreement shall remain in effect during any period that the subrecipient has control over CDBG funds, including program income.

At a minimum, this written Funding Agreement shall contain provisions as prescribed in the Code of Federal Regulations concerning: Statement of Work; Records and record keeping; Program Income; OMB Circulars; Other program requirements; except that the County is responsible for initiating the review process under Executive Order 12372; Suspension and Termination; and reversion of assets meeting the prescribed criteria; and disposing of assets in a manner comparable to that described in the aforementioned Code of Federal Regulations.

9. Canal Winchester (city/village/township) is included in Franklin County for the purpose of planning and implementing the Franklin County HUD Entitlement Program. Canal Winchester (city/village/township) shall not apply for separate grants under the Small Cities or State CDBG Programs from appropriations for fiscal years during the period in which it is participating in the urban county's CDBG program; and Canal Winchester (city/village/township) may not participate in a HOME consortium except through Franklin County, regardless of whether or not Franklin County receives a HOME formula allocation.
10. No Community Development Block Grant and HOME Investment Partnership Program funds provided by Franklin County under this Agreement may be used for activities in or in support of any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes Franklin County's actions to comply with its fair housing certification.

11. Cities/Villages and counties in Ohio have authority under Section 307.15 of the Ohio Revised Code to enter into agreements whereby a Board of County Commissioners undertakes, and is authorized by the contracting subdivision, to exercise any power, perform any function, or render any service, in behalf of the city/village/township, which such city/village/township may exercise, perform or render; and
